Next Generation City Action TECH BAZAR & RECEPTION

Tuesday 08 October 17:30-20:30

#TheFutureWeWant
#NextGenCityAction

On behalf of C40, Ministry of Foreign Affairs Denmark, EIT Climate-KIC and the Technical University of Denmark, we would like to invite you to the Next Generation City Action Tech Bazar & Reception.

The reception will take place at DTU Skylab - the hub for tech innovation and entrepreneurship, and conclude a day where 100 young international academics, entrepreneurs and sustainability influencers have worked and inspired with new ideas and urban solutions targeting next generation buildings and green mobility.

Sign-up latest October 3rd [HERE](#)

From 18:00 inspirational talks by

Rasmus Larsen
Provost
Technical University of Denmark

Line Gry Knudsen
